

A Thanksgiving Scavenger Hunt

- Decide on a time limit. Whoever finds the most items during that time wins the hunt.
- Take a photo of the item when you find it.
- During their voyage and early years in Massachusetts, pilgrims faced hunger and a lack of material goods, but they were grateful people. You'll see this reflected in some of the items below.
- Have a prize for the winner. It could be a favorite food, a gift card for coffee, or a donation in their name to a local food pantry or ministry.
